

# LIMIT BREAKERS + CHILDREN'S CHURCH 11+ PARENT QUICK GUIDE (2025–2026)

Helping every child prepare confidently for  
Grammar School entry in September 2027

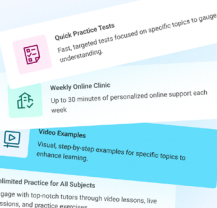

# Program Overview

The Limit Breakers 11+ Programme is a partnership between Limit Breakers and the Children's Church designed to help Year 5 pupils (ages 9–10) build confidence and prepare effectively for the 11+ exam in September 2026.

## LB & WCI 11+ Program

Homework review and feedback, Topic-based teaching and practice, Regular assessments to track progress, Summer Bootcamp for speed and accuracy.

## 11+ Preparation

Teacher-led lessons in Maths, English, Verbal, and Non-Verbal Reasoning, designed to learn key concepts, boost grades, and build exam confidence.

## Online Practice

Unlimited practice with instant feedback.

## Weekly Online Clinics via Zoom

2 × 1-hour lessons each week.

## Summer Bootcamp

Teacher-led summer bootcamp sharpens accuracy, speed, and exam skills through intensive daily practice. Students leave confident, focused, and ready to excel.

## Free Resources

Offers free videos, practice, revision guides, and expert tips—everything you need to kick-start your child's 11+ preparation.

## Regular Online Mock Assessment

Provides realistic 11+ exam simulations, instant feedback, and detailed progress reports.

# Accessing the Online Platform

All online learning takes place on our secure Limit Breakers platform.

After registration, parents will receive a Welcome Email containing:

- Your child's login details (username and password)
- A link to the online learning platform
- The Zoom link for weekly classes
- A short demo video explaining how to access lessons, upload homework, and take assessments

Please keep your login details safe.

The platform works best on a laptop or desktop computer with a reliable internet connection.

# Weekly Lesson Schedule

- **Two 1-hour lessons each week** (alternating subjects)
- Each session includes:
  1. Warm-Up (5 mins)
  2. Homework Review (10 mins)
  3. Teaching Focus (20 mins)
  4. Practice Exercises (20 mins)
  5. Homework Set (5 mins)

Teachers will confirm specific group times once learners are allocated.

# Assessments & Progress Tracking

Regular assessments help us measure growth and tailor support.

Assessment	Format	Date	Purpose
<b>Initial Assessment</b>	Paper (in-person)	25–26 Oct 2025	Baseline understanding
<b>Final Assessment</b>	Online	4 weeks later	Measure early progress
<b>Monthly Assessment</b>	Online	Every 5 weeks	Track improvement
<b>Final Mock Test</b>	Online	August 2026	Prepare for real 11+ exam

After each assessment, parents will receive a short progress summary and next-step suggestions.

# Feedback & Communication

Feedback shared after each assessment and every 4–5 weeks.

Parents receive email updates summarising achievements and next steps.

Teachers highlight focus areas to support home learning.

# Creating the Right Learning Environment

To help your child make the most of every session:

- Provide a quiet area free from distractions.
- Ensure access to a laptop or PC (phones/tablets not recommended).
- Encourage consistent attendance and timely homework completion.
- Celebrate progress and effort – small wins matter!
