

# **Limit Breakers & WCI**

## **11+ Year 5 Program**

### **Overview**

To give a clear overview of the learning structure, subjects covered, weekly flow, and key milestones for the Year 5 11+ preparation journey.

# Accessing the Online Platform

All online learning takes place on our secure Limit Breakers platform.

After registration, parents will receive a Welcome Email containing:

- Your child's login details (username and password)
- A link to the online learning platform
- The Zoom link for weekly classes
- A short demo video explaining how to access lessons, upload homework, and take assessments

Please keep your login details safe.

The platform works best on a laptop or desktop computer with a reliable internet connection.

LIMIT  
BREAKERS
